REMARKS

Upon preparing the subject application for printing as a patent, the Office noted in a telephone call to Applicants' representative on April 29, 2009, that the Specification of the application referred to specific claim numbers and requested that such text be removed from the Specification. Accordingly, this amendment is being presented to remove such text from the Specification.

Applicants gratefully appreciate the Examiner's attention in entering this amendment.

Respectfully submitted,

By /J. Eric Thies, Reg.# 35382/
